---

15 On November 9, 2010, the Electronic Frontier Foundation and Fred von Lohmann  
16 (“Movants”) filed an Expedited Motion to Quash Subpoenas issued in relation to a case pending  
17 in the United States District Court for the Southern District of New York, *Arista Records v.*  
18 *Lime Wire, LLC*, 06-5936 (KMW). On that same date, Movants and Arista Records filed a  
19 proposed stipulation and order, in which the parties stipulate to an expedited briefing schedule  
20 and a requested hearing date of November 19, 2010. According Movants, the parties have  
21 agreed to extend the deadlines for production set forth in the subpoenas from November 12 to  
22 November 23, 2010, and discovery is set to close in the *Arista Records* case on November 25,  
23 2010. Movants also indicate that Defendants in the *Arista Records* case have requested an  
24 extension of the discovery deadline and that if that request is granted, the parties will meet and  
25 confer on a revised schedule.

26 It is HEREBY ORDERED that, pursuant to Northern District Civil Local Rule 72-1, this  
27 matter is HEREBY REFERRED to a randomly assigned Magistrate Judge for resolution, and  
28 the Court recommends that the matter be referred to a Magistrate Judge who is available to hear

1 the motion on or before November 22, 2010.

2 **IT IS SO ORDERED.**
